*Associate of Science in Computer Science*

- Honors: President's Award For Excellence in Computer Science

## TECHNICAL SKILLS

**Languages:** Java, C++, JavaScript, Python

**Tools:** Docker, Git, AWS, PostgreSQL, MySQL

**Frameworks/Libraries:** React, Spring, Next.js

**Hardware Skills:** PC Assembly & Repair

## PROJECTS

Cloud Chasers TV – AWS | React | AmplifyUI

- Developed a **YouTube clone** as a senior project using AWS services, including Amplify UI, Lambda, Cognito, and DynamoDB.
- Owned the **front-end development** process and acted as the **lead designer**, ensuring a seamless, user-friendly experience through responsive design and dynamic navigation.
- Designed and implemented a **responsive front-end** with React and AWS Amplify UI to enhance user experience.
- Configured **dynamic routing** with React Router for seamless navigation and intuitive content discovery.

Super Bowl Finder – Spring Boot | PostgreSQL | React

- Developed a **web-based application** for exploring Super Bowl history, enabling users to view their team's past performances.
- Designed and implemented a **Spring Boot API** to efficiently retrieve and serve Super Bowl history data, improving data access and reliability.
- Built a **React UI with AWS Amplify UI** to allow users to search for their team's Super Bowl appearances, scores, locations, and MVPs.
- Developed and managed a **PostgreSQL database**, storing key Super Bowl data including title, winner, loser, score, MVP, and location.

## EMPLOYMENT EXPERIENCE

Target Fulfillment Center - Burlington, NJ

Senior Target Security Specialist

July 2025 – Present

- **Lead security operations**, ensuring the safety of Target team members, vendors, and visitors at a **fulfillment-supply chain facility**.
- **Investigate** and **resolve claims** related to missing guest orders through thorough **incident analysis** and coordination with internal teams, leading to **increased customer satisfaction**.
- **Supported team operations by offering translation services** and communication assistance for external partners, visitors, and team members.

Target Distribution Center - Logan Township, NJ

Target Security Specialist

June 2023 – July 2025

- **Lead security operations**, ensuring the safety of Target team members, vendors, and visitors at a **high-volume supply chain facility**.
- Recognized with the **2024 Q4 TSS of the Quarter Award** for exceptional performance, swift crisis response, and contributions to building-wide security improvements.
- **Train and mentor new security personnel**, enhancing team readiness and reinforcing best practices in surveillance and incident response.
- **Collaborate with management during theft investigations**, providing translation support and assisting in employee termination processes, leading to successful resolutions.
